

## 2021/22 Pupil premium strategy statement

St Giles' C.E. Primary School is an established and successful primary school, serving a rich and diverse community. The school has a very distinctive Christian ethos and is inclusive of all faiths, religions and ethnicity. Pupil mobility is less than the national average and the indication of deprivation is above the national average. The school is committed to ensuring that all children reach their full potential and is relentless in removing individual barriers to learning that exist either in school or in the home or community.

Pupil Premium is additional funding provided to schools for supporting children who are at a greater risk of under-achievement.

- We ensure that Quality First teaching and learning opportunities meet the needs of **all** pupils.
- We ensure that pupils belonging to vulnerable groups, including those from socially disadvantaged backgrounds, are adequately assessed and targeted provision including academic support is made to meet their needs.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged will be in receipt of free school meals. We therefore reserve the right to allocate the Pupil Premium funding to support any groups of pupils that the school deems to be socially disadvantaged.

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

# Part A: Pupil premium strategy plan

## Statement of intent

### Intent

At St Giles C.E. we are aiming for specific outcomes for Pupil Premium Funding:

- Improving attendance to ensure PPG is in line with Non-PPG.
- Improving language and communication skills from Early Years to Year 6.
- High quality individual support through the schools' local offer and professional external support to ensure disadvantaged children who also have additional needs (SEND) have the right provision.
- Closing the attainment gap in reading, writing and mathematics between PPG pupils and others in the school. Research strategies include Metacognition Pedagogy strategies throughout school.
- Closing the attainment gap in reading, writing and mathematics between the school's PPG pupils and all pupils nationally.
- Increasing the engagement of parents with their children's education and with the school.
- Supporting parents to access services to enable them to better meet their child's needs.
- To ensure pupil's mental health and wellbeing are met through research based Speech and Language Programmes and Pragmatics groups , Academic Resilience approach.(Young Minds NFS)

Having stated our Intent, key challenges and intended outcomes, we have invested in a range of actions and interventions to ensure our PPG provision is carefully planned in order to elicit improved outcomes for disadvantaged children and to narrow any attainment gaps between contrasting groups. With this in mind, activities and support are designed after reflection on our own practice and in response to various research projects, an example being the Education Endowment Foundation. This has determined which types of intervention have been proven to have the most impact on children's progress and attainment.(**Source: Education Endowment Foundation – Evidence summaries**)

**Our various provisions for PPG children fall into one or more of the following categories:**

- **Metacognition and Self-Regulation:** Impact = +8 months *eg KS1 & KS2 Catch Up Hour*
- **Reading Comprehension Strategies:** Impact = +6 months *eg 'On Track English' Reading Intervention & 'Cracking Comprehension Rising Stars' multisensory approach and FFT lightning Squad.*
- **Collaborative Learning:** Impact = +5 months *e.g. Legotherapy - Kidz Klub*
- **One-to-One Tuition:** Impact = +5 months *e.g. One-To-One Mathematics/English Action Tutoring/Third Space Learning (Mathematics), Targeted Provision (SEND) Academic Mentor (Ranstead)*
- **Oral Language Interventions:** Impact = +5 months *e.g. Time to Talk*

- **Phonics:** Impact = +4 months *e.g. Phonics Booster (1:1/Small Group Tutoring)*
- **Small Group Tuition:** Impact = +4 months *e.g. Mathematics Support*
- **Digital Technology:** Impact = +4 months *e.g. TT Rockstars, Education City, Purple Mash, Serial Mash*
- **Sports Participation:** Impact = +2 months *(A comprehensive sports programme in school throughout the day ensuring all access quality coaching, including opportunities to access free HAF funded sports during the holidays based at St Giles CE Primary.*
- **Outdoor Adventure Learning:** Impact = +4 months *e.g. NFS –National Curriculum Outdoors, Gardening Club*

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	High percentage of poor language and communication skills in Early Years. Pupils have difficulty expressing themselves orally.
2	A significant overlap between children who are receiving Pupil Premium Funding as well as having SEND needs.
3	Increasing the engagement of parents with their children's education and with the school.
4	Pupils struggle with decoding texts using synthetic phonic strategy.
5	Pupils struggling to be enthusiastic about 'Reading For Pleasure'-Barriers beyond school
6	Pupil's limited vocabulary impacting pupil's comprehension skills development. Pupil's reading pace impacts on their comprehension skills leaving them with limited vocabulary an response time to questions
7	Pupils need time and coaching to develop their resilience when solving mathematical problems and answering reasoning questions.
8	Pupil's social and emotional needs hindering the development of academic resilience and progress. (PPG & LAC)Significant proportion of PPG pupils requiring support to meet communication, social and emotional needs exacerbated over the past 18 months.

## Intended outcomes
