IMPORTANT REMINDER: BRING YOUR BOOK BAG!

Our school has invested thousands of pounds into providing quality reading books for the children.

To help us keep these books in great condition:

Please ensure your child attends school with a book bag.

Please do NOT place water bottles inside book bags.

Water bottles are causing books to become water damaged beyond repair, and we want every child to enjoy these wonderful reading resources.

Thank you, as always, for your continued support. Together we can protect our books and foster a love of reading!

Dear Parents,

Homework helps children to develop the skills and attitudes they will need for successful lifelong learning. Homework also supports the development of independent learning skills and provides parents and carers with an opportunity to take part in their children's education. Research over several years has shown that homework can make an important contribution to the progress which pupils make in school. Government research has shown that there are enormous advantages in children spending periods of time (initially quite short) on different learning activities devised to support the work they are doing in school.

Most Home Learning is set through IXL. Please do click the link below to access a parental webinar for advice and tips.

School Trips

At St Giles' CE Primary we believe the benefits that school trips bring to your child's unique learning journey make them an essential part of any all-round education.

We strongly believe excursions can enhance the learning experience at every stage of education.

Let's take a look at how school trips help your child go further in school.

1. THEY TAKE YOUR CHILD OUT OF THEIR COMFORT ZONE
2. THEY CONTRIBUTE TO A WIDER WORLD PERSPECTIVE
3. THEY ARE A GREAT WAY TO LEARN AND REMEMBER INFORMATION
4. THEY MAKE A CLASSROOM TOPIC FEEL NEW AND EXCITING
5. THEY TEACH YOUR CHILD NEW SKILLS

Without parents making a financial contribution, trips, visits and wider experiences cannot go ahead. The school already subsidises trips to reduce costs to a maximum of £25. It is with deep regret that if trips are not supported financially they will have to be cancelled and money refunded to parents.

PARENT FINES FOR MISSING SCHOOL: WHAT YOU NEED TO KNOW

The fine for school absences across the country is **£80 (per parent/child) if paid within 21 days, or £160 if paid within 28 days.**

The local council can also decide to prosecute. If you're prosecuted and attend court because your child hasn't been attending school, you could get a fine of up to £2,500.

What happens if my child misses school without a good reason?

If your child is absent and you haven't received advance permission from the headteacher to take your child out of school, the school and local council may take action.

Before that, your child's school and your local council are expected to support you to improve the child's attendance before any measures are put in place.

These measures can include:

- **Issue a fixed penalty notice, otherwise known as a 'fine'** – Walsall Council can give each parent a fine. If you do not pay the fine after 28 days you may be prosecuted for your child's absence from school.
- **Seek an Education Supervision Order from the family court** – if the council thinks you need support getting your child to go to school but you're not co-operating, they can apply to a court for an Education Supervision Order. A supervisor will be appointed to help you get your child into education. The local council can do this instead of, or as well as, prosecuting you.

Prosecute you – this means you have to go to court. You could get a fine, a community order or a jail sentence up to three months. The court could also give you a Parenting Order.

Please continue to support the school in securing good attendance.
