

2025/26 Pupil premium strategy statement

St Giles' C.E. Primary School is an established and successful primary school, serving a rich and diverse community. The school has a very distinctive Christian ethos and is inclusive of all faiths, religions and ethnicity. Pupil mobility is less than the national average and the indication of deprivation is above the national average. The school is committed to ensuring that all children reach their full potential and is relentless in removing individual barriers to learning that exist either in school or in the home or community. The principles of the UN Convention on the Rights of the Child (CRC) underpins and enhances our school vision and values.

Article 2 (non-discrimination) The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Article 3 (best interests of the child) The best interests of the child must be a top priority in all decisions and actions that affect children.

Article 29 (goals of education) Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Pupil Premium is additional funding provided to schools for supporting children who are at a greater risk of under-achievement.

- We ensure that Quality First teaching and learning opportunities meet the needs of **all** pupils.
- We ensure that pupils belonging to vulnerable groups, including those from socially disadvantaged backgrounds, are adequately assessed and targeted provision including academic support is made to meet their needs.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged will be in receipt of free school meals.

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	St-Giles C.E. Primary
Number of pupils in school	446
Proportion (%) of pupil premium eligible pupils	33% (151)
Academic year/years that our current pupil premium strategy plan covers (3-year plans are recommended)	3
Date this statement was published	19 September 2025
Date on which it will be reviewed	30 September 2026
Statement authorised by	Head teacher & Chair of Governors
Pupil premium lead	Mrs H Mavi
Governor / Trustee lead	Mr J Green

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year (PPG)	£233, 192
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£233, 192

Part A: Pupil premium strategy plan

Statement of intent

Intent

At St Giles C.E. we are aiming for specific outcomes for Pupil Premium Funding:

- Improving attendance to ensure PPG is in line with Non-PPG.
- Improving Oracy (language and communication skills) from Early Years to Year 6.
- High quality individual support through the schools' local offer and professional external support to ensure disadvantaged children who also have additional needs (SEND) have the right provision.
- Closing the attainment gap in reading, writing and mathematics between PPG pupils and others in the school. Research strategies include Metacognition Pedagogy strategies throughout school.
- Closing the attainment gap in reading, writing and mathematics between the school's PPG pupils and all pupils nationally.
- Increasing the engagement of parents with their children's education and with the school.
- Supporting parents to access services to enable them to better meet their child's needs.
- To ensure pupil's mental health and wellbeing are met through research based Speech and Language Programmes and Pragmatics groups, Academic Resilience approach. (Young Minds NFS, Walsall Forest Ranger Programme)

Having stated our Intent, key challenges and intended outcomes, we have invested in a range of actions and interventions to ensure our PPG provision is carefully planned in order to elicit improved outcomes for disadvantaged children and to narrow any attainment gaps between contrasting groups. With this in mind, activities and support are designed after reflection on our own practice and in response to various research projects, an example being the Education Endowment Foundation. This has determined which types of intervention have been proven to have the most impact on children's progress and attainment.

(Source: Education Endowment Foundation – Evidence summaries)

Our various provisions for PPG children fall into one or more of the following categories:

- **Metacognition and Self-Regulation:** Impact = +8 months *e.g. KS1 & KS2 Catch Up Hour*
- **Reading Comprehension Strategies:** Impact = +6 months *e.g. Reading Intervention FFT 'Tutoring with Lightning Squad & 'Cracking Comprehension Rising Stars' multisensory approach using Reciprocal Reading pedagogy.*
- **Collaborative Learning:** Impact = +5 months *e.g. Legotherapy, Talking Heads - Kidz Klub-Play Therapy*
- **One-to-One Tuition:** Impact = +5 months *e.g. One-To-One Mathematics/English Action Tutoring/Third Space Learning (Mathematics), Academic Mentor (FFT-TWL)*
- **Oral Language Interventions:** Impact = +5 months *e.g. Time to Talk, Talk for writing, NELI whole class*
- **Phonics:** Impact = +4 months *e.g. Phonics Booster (1:1/Small Group Tutoring)*
- **Small Group Tuition:** Impact = +4 months *e.g. Mathematics Support, Third Space Learning*
- **Digital Technology:** Impact = +4 months *e.g. TT Rockstars, IXL, MathsWatch, Purple Mash, Serial Mash*

- **Sports Participation:** Impact = +2 months *(A comprehensive sports programme in school throughout the day ensuring all access quality coaching, including opportunities to access free HAF funded sports during the holidays based at St Giles CE Primary.*
- **Outdoor Adventure Learning:** Impact = +4 months *e.g. NFS –National Curriculum Outdoors, Gardening Club-Food for Life*
-

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	High percentage of poor Oracy- language and communication skills in Early Years. Pupils have difficulty expressing themselves orally.
2	A significant overlap between children who are receiving Pupil Premium Funding as well as having SEND needs.
3	Increasing the engagement of parents with their children's education and with the school.
4	Pupils struggle with decoding texts using synthetic phonic strategy.
5	Pupils struggling to be enthusiastic about 'Reading For Pleasure'-Barriers beyond school
6	Pupil's limited vocabulary impacting pupil's comprehension skills development. Pupil's reading fluency impacts on their comprehension skills leaving them with limited vocabulary and response time to questions.
7	Pupils need time and coaching to develop their resilience when solving mathematical problems and answering reasoning questions.
8	Pupil's social and emotional needs hindering the development of academic resilience and progress. (PPG & LAC) Significant proportion of PPG pupils requiring support to meet communication, social and emotional needs exacerbated over time.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>1. Early identification of additional language & communication needs to action best provision.</p> <p>Improvement in pupil's ability to listen to and understand instructions.</p> <p>Wellcomm Screening to implement oral language interventions.</p> <p>Speech & Language based interventions 1:1/small group</p>	<p>Improved oral language and communication skills for all PPG pupils.</p> <p>Throughout the curriculum partner talk is embedded and structured sentence stem reply is modelled by all staff as part of Quality First Teaching.</p> <p>Speech & Language Therapist weekly visits to ensure relevant staff have the high quality CPD to deliver a range of programmes to enhance language and communication acquisition from Early Years to Year 6.</p> <ol style="list-style-type: none"> 1) The ShREC approach (Share Attention, Respond, Expand, Conversation) 2) Aided Language Displays – Early Years 3) Bucket Therapy Approach 4) Colourful semantics 5) Makaton 6) Higher order reading skills focussed upon expressive and receptive language. 7) Higher order pragmatics
<p>2. High quality individual support through the schools' local offer and professional internal and external support to ensure disadvantaged children who also have additional needs (SEND) have the right provision.</p> <p>Ensure transition of PPG(SEND) children to secondary school and other settings is robust to secure long term success.</p>	<p>Graduated response in place in line with our Local Offer. Pupil's learning needs are identified, and effective support is implemented. Pupils are identified at the earliest opportunity to ensure that support is directed early to secure the greatest progress possible during the pupils' time in school. School has invested the SEND notional budget in SALT NHS, Cadmus Inclusive Advisory Service and Walsall Educational Psychology Services to underpin high quality support as part of graduated response for the most vulnerable pupils.</p> <p><i>(Refer to St Giles C.E. Primary SEN Information Report 2025-26)</i></p> <p>St Giles Church of England Primary School - SEND (st-giles.walsall.sch.uk)</p>

<p>3. Increased and improved parental engagement with PPG families.</p>	<p>High quality Chromebooks issued to PPG families to support home learning on Google classroom platform.</p> <p>PPG pupils completing the weekly homework digitally and using the virtual online platform through Google Classroom to access learning remotely to close the learning gaps.</p> <p>Class teachers issue special mention reward certificates on a weekly basis to encourage home learning.</p> <p>Trackit points given as part of school reward system culminating in bronze, silver and gold certificates.</p> <p>Book prizes awarded using gold coins from the Book Vending machine to celebrate children's achievement.</p>
<p>4. Greater % of PPG pupils successfully passing the phonic screening assessment in Year 1 in line with their Non-PPG peers.</p>	<p>RWInc Phonics Tutoring (1:1; small group) Rocket Phonic Reading Scheme to develop fluency.</p> <p>SEND teacher support 3 times a week for PPG pupils who haven't passed the phonic screening in June 2025.</p> <p>Digital Learning Resources- To provide PPG children with bespoke software to enable out of school learning including holiday learning.</p>
<p>5. Pupils able to discuss their books, Pupil Home Reading Diaries updated regularly- PPG children demonstrating a love of books and reading.</p>	<p>Daily Storytelling (EYFS-Y6) including Oxford Reading Buddy and Readerful.</p> <p>1:1 reading at least 3 times a week with the class teacher. PPG registers provided by the English Lead.</p> <p>School Library Books-Pupil Reading Leaders collating pupil book choices to include in the class libraries.</p> <p>Facilitate wider reading to meet individual interests in books.</p> <p>Whole School Reading Spine to ensure the breadth & depth of high-quality genres and authors.</p>

<p>6. Closing the attainment gap in reading between PPG pupils and others across the school</p> <p>Closing the attainment gap in reading between the school's PPG pupils and all pupils nationally</p> <p>Whole School Vocabulary Spine; Pre-Teaching & Overlearning</p>	<p>Reciprocal Reading pedagogy using the Rising Stars Cracking Comprehension Multisensory programme implemented from Reception to Year 6.</p> <p>Reciprocal Reading Intervention for targeted group led by SEND teacher.</p> <p>Lightning Squad FFT Tutoring.</p> <p>Action Tutoring (1:2) 15 weeks Year 6 & Year 5.</p> <p>Reader of the week certificate (Effort/attitude/Fluency/Progress)</p> <p>PPG pupils choose 'Book prizes' from the St Giles Book vending machine.</p>
<p>7. Closing the attainment gap in mathematics between PPG pupils and others across the school</p> <p>Closing the attainment gap in mathematics between the school's PPG pupils and all pupils nationally</p> <p>Whole School Vocabulary Spine; Pre-Teaching & Overlearning</p>	<p>Action Tutoring (1:2) 15 weeks x2 Year 6 & Year 5</p> <p>Third Space Learning Maths (1:1) 15 weeks' x 4 sessions (Y4,5,6).</p> <p>White Rose teaching, learning and assessment methodology embedded from Reception to Year 6</p> <p>(Catch up hour) Improvement in the speed and resilience with which children approach mathematical problem solving.</p> <p>White Rose Fluency Bee Programme-Small Group Interventions.</p>
<p>8. Pupils are able to understand the world around them better, enabling them to engage appropriately with others using appropriate language and displaying appropriate behaviours.</p> <p>Significant reduction of exclusions or serious breaches of the behaviour policy.</p>	<p>Comprehensive PSHE/RSE/The Happy Confident Company Scheme is implemented by trained staff, including Mental Health and Behaviour Counsellors.</p> <p>Kidz Klub Mentors (Delivering the programmes listed below): Lego therapy; Talking Heads; Food for Life. Play Therapy.</p> <p>Increased pupil self-esteem through the creation of individual pupil profiles to capture the cultural capital. (SEND Pupils)</p>

	Whole school Outdoor programme to develop academic resilience delivered through Walsall Forest Ranger Programme and RHS Teacher.
--	--

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: **£27, 185**

Activity	Evidence that supports this approach	Challenge number(s) addressed
Wellcom and Makaton refresher training. EYFS Talk Boost £8100	NHS Speech and Language Therapist Team Oral Language Interventions: Impact = +5 months <i>e.g. Time to Talk</i> <i>Source: Education Endowment Foundation – Evidence summaries</i>	1
'Metacognition & Sticky learning-Quality First Teaching £10,200 Assess, Plan, Do, review Surgery. Educational Psychologist Sessions £6660	Beccie Hawes (Head of Service - Cadmus Inclusive) All staff Metacognition and Self-Regulation: Impact = +8 months <i>Source: Education Endowment Foundation – Evidence summaries</i>	2,6,7
Reading for Pleasure-CPD (£2225)	Jane Coleman(Senior Librarian-Wolverhampton SLSS) <i>Source: Education Endowment Foundation – Evidence summaries</i>	5

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £148 647

Activity	Evidence that supports this approach	Challenge number(s) addressed
Unqualified Graduate Teacher	PPG Funded £30,000 One-to-One Tuition: Impact = +5 months <i>e.g. One-To-One Mathematics/English Action Tutoring/Third Space Learning (Mathematics), Targeted Provision (SEND) Academic Mentor (NTP)</i> Source: Education Endowment Foundation – Evidence summaries	6,7
Action Tutoring	£24,000	6,7
Third Space Learning	£6000	7
Lightning Squad (FFT)	£950	6
Learning Village	£2000	1,6
Maths Watch Tutoring	£2000	7
Phonic Intervention Programme (Digital)	£2550	4, 5,6
Phonic 1:1 Tutoring Reciprocal Reading White Rose Maths 'Fluency Bee programme' SEND Teacher Support	£48, 033 £8114 (UPS 6) £25,000	4,5,6,7

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: **£57, 360**

Activity	Evidence that supports this approach	Challenge number(s) addressed
Using LEGO Based Approaches to Support Social, Emotional and Mental Health <i>Kidz Klub</i>	£18000 Collaborative Learning: Impact = +5 months <i>Source: Education Endowment Foundation – Evidence summaries</i>	8
<i>The National Curriculum Outdoors</i> -Identify opportunities for outdoor learning across the school curriculum. -Develop the confidence and ability of staff to plan, deliver and evaluate lessons outdoors -Increase access to green and outdoor spaces for teaching and learning -Build the academic resilience approach into lessons -Foster an interest in and concern for the natural environment	£5000 Outdoor Adventure Learning: Impact = +4 months <i>Source: Education Endowment Foundation – Evidence summaries</i>	8
Coram Bean stalk	£1980	
Play Therapy	£3150	
Attendance Officer Parent Support Advisor Trackit Points	£17,000 £11,000 £1230	8

Total budgeted cost: £57, 360

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the **2024 to 2025** academic year.

Intended outcome	Impact
1. Early identification of additional language & communication needs to action best provision.	In Reception, 73% of pupils achieved GLD which is 4% above the 2024 Nat (69%). Achievement and progress can be evidenced as securely 'Good' as a result of consistently good to outstanding 'Quality First Teaching'.
Improvement in pupil's ability to listen to and understand instructions.	C&L PPG=62 %; C& L NPPG=86% (ELG) Following the Oracy audit using Billesley Research School's tool, the school identified the need to explicitly link the tier 2/3 vocabulary from NELI, Cornerstones curriculum and Readerful into the EYFS vocabulary spine to pre teach new vocabulary in a planned manner for an upcoming topic. The English Lead (DHT)organised the NELI whole class CPD in summer term which enabled the EYFS staff to implement this approach from the beginning of the Autumn term 2024. This facilitated the pre-teaching of the targeted vocabulary to occur more than just once in the whole class NELI session (3 times per week). The vocabulary from NELI is explicitly shared on the weekly planning document and displayed throughout the provision. Vocabulary from the Cornerstones topic and Readerful is now evident in the weekly planning and taught throughout the week. The vocabulary is used by all staff and modelled in sentences throughout the provision and during story time using the ShREC model which was shared at the Day 2 of the training day as part of dialogic teaching and 'accountable talk' research. It was decided that targeted children (with identified higher communication needs using the Wellcomm screening tool) would be consistently supported throughout the provision and with weekly group NELI sessions to complement the whole class NELI teaching.
Wellcomm Screening to implement oral language interventions.	Children are now engaging with language meaningfully, joining in with conversations and sharing their thoughts and opinions daily. They look forward to NELI sessions and talk time and continue their own learning throughout the provision supported by our highly experienced staff. Children are encouraged to also talk to their partners and give reasons for their thoughts and they are encouraged (by high quality modelling) to use their new vocabulary.
Speech & Language based interventions 1:1/small group	Consequently, more children are expanding their vocabulary and using it in correct contexts. Please refer to EYFS Oracy Case Studies on the Governor Hub Please refer to: SPEECH AND LANGUAGE THERAPY -ANNUAL SUMMARY - 24-25 ACADEMIC YEAR (Anna Stanley & Kimberley Bateman-Senior Speech & Language Therapists)

<p>1. Early identification of additional language & communication needs to action best provision.</p> <p>Speech & Language based interventions 1:1/small group</p>	<p>SPEECH AND LANGUAGE THERAPY -ANNUAL SUMMARY - 24-25 ACADEMIC YEAR (Anna Stanley & Kimberley Bateman-Senior Speech & Language Therapists)</p> <p>Highlights:</p> <ul style="list-style-type: none"> • New referrals seen and supported in school: (14 pupils)100% of new referrals seen. No child requiring a Speech and Language Therapy assessment fails to receive this due to: <ul style="list-style-type: none"> a) parents not opting into service b) failing to attend clinic appointments • Addressing a speech, language and communication need can help prevent future difficulties in education/social settings – there are direct correlations between language skills and educational achievement, and many CYP with mental health needs are found to have additional speech, language and communication needs (SLCN) • Occasionally, the assessment seeks to rule out SLCN in order to identify the true nature of a child’s difficulties and the type of support they need. <p>Average of 1 month wait for support, compared to 9 months in Walsall. Support can be planned and implemented rapidly, thus reducing the long-term implications of ongoing speech, language and communication difficulties.</p> <p>Reviews and advice for children on current caseload</p> <p>Individual reviews (55)</p> <ul style="list-style-type: none"> • All children with SLCN are seen in school, regardless of level of need, and specialist advice and targets are provided to school and parents in order to develop the child’s skills in this area. • Children may be reviewed more frequently if necessary. • Addressing SLCN improves life opportunities for CYP. <p>Specialist clinical activity completed in school rather than clinic 6 pupils</p> <ul style="list-style-type: none"> • Specialist assessment/support is provided in a timely manner rather than the child waiting several months to receive this. • Children who are unable to access clinic still receive support, rather than being discharged. • 3 children accessed support not available in clinic (transition group). This valuable intervention will support the mental health of children who are anxious about moving to secondary school. <p>Training/support has been provided on:</p> <table border="1"> <thead> <tr> <th>SCHOOL STAFF CPD DELIVERED</th><th>IMPACT</th></tr> </thead> <tbody> <tr> <td>Makaton Level 1 training</td><td> <ul style="list-style-type: none"> • 12 staff members trained, many of whom have been observed throughout the year using Makaton signing to support their spoken language with children, providing a means of communication and support for children who are unable to understand or use spoken language. This contributes to St Giles offering a ‘Total Communication’ learning environment. </td></tr> </tbody> </table>	SCHOOL STAFF CPD DELIVERED	IMPACT	Makaton Level 1 training	<ul style="list-style-type: none"> • 12 staff members trained, many of whom have been observed throughout the year using Makaton signing to support their spoken language with children, providing a means of communication and support for children who are unable to understand or use spoken language. This contributes to St Giles offering a ‘Total Communication’ learning environment.
SCHOOL STAFF CPD DELIVERED	IMPACT				
Makaton Level 1 training	<ul style="list-style-type: none"> • 12 staff members trained, many of whom have been observed throughout the year using Makaton signing to support their spoken language with children, providing a means of communication and support for children who are unable to understand or use spoken language. This contributes to St Giles offering a ‘Total Communication’ learning environment. 				

SCHOOL STAFF CPD DELIVERED	Regular Attention Bucket Therapy training	<ul style="list-style-type: none"> A number of staff members are now able to use this approach and understand how they can support children to generalise their developing attention skills in the classroom. There is a notable improvement in many complex children's ability to focus. <p>Currently in Walsall there is no specific training on this intervention, only written advice following a review appointment.</p>
	Aided Language Display training	<ul style="list-style-type: none"> Strategy demonstrated to a number of staff who are now able to use ALDs to communicate with complex children who are unable to understand or use verbal communication. New ALDs provided to support interests and motivations of complex children. <p>This approach contributes to St Giles offering a 'Total Communication' learning environment.</p>
	Demonstration of speech sound programmes	Demonstration of programmes and targets ensures that support is delivered appropriately and effectively, hopefully resulting in a shorter timescale for the difficulties being resolved and preventing negative effects on a child's mental health and well-being by not being able to communicate effectively.
2. High quality individual support through the schools' local offer and professional external support to ensure disadvantaged children who also have additional needs (SEND) have the right provision. Ensure transition of PPG children to secondary school and other settings is effective to secure long term success.	<p>Graduated response in place in line with our Local Offer. Pupil's learning needs are identified and effective support is implemented.</p> <p>Pupils are identified at the earliest opportunity to ensure that support is directed early to secure the greatest progress possible during the pupils' time in school.</p> <p style="text-align: center;">SPEECH AND LANGUAGE THERAPY REPORT ST GILES SCHOOL - IMPACT REPORT FOR TRADED SERVICE PROVISION Time period – Summer term 2025: May - July 2025 Review of children on the SLT caseload.</p> <p><i>NB – Around 14 children on the St Giles caseload would not be eligible for support from Walsall NHS SLT service if the provision in school was not commissioned as they would not meet the high threshold for input. This threshold has increased considerably over recent years due to underfunding of SLT in Walsall.</i></p> <p>Children discussed and prioritised for a review to update targets/strategies (including lower priority children and children seen more recently but requiring additional support-18 pupils).</p> <p>Parents have been offered telephone consultations to discuss any updates to the targets that would require specific support from the child's home setting.</p> <p>Liaising with the teachers for all children who have had their targets updated and bespoke advice given on how targets can be achieved within the child's daily setting.</p> <p>7 children have been discharged with resolved speech, language and communication needs following implementation of advice in school</p>	

	<p>3 year 6 children attended a weekly group to support transition to secondary school. This included:</p> <ul style="list-style-type: none"> ➤ Discussions about new schools and the similarities and differences to primary school ➤ Discussion about worries and concerns about secondary school and who can help. ➤ Discussion around difficulties children may encounter (e.g. getting lost, not knowing what books to pack, not having anyone to talk to) and possible solutions ➤ Learning to read and use a timetable <p>1 child provided with therapy sessions to address speech targets as he has not yet been invited to clinic sessions.</p> <p>Additional support to parents</p> <p>Telephone liaison with parents as required to discuss specific concerns. This includes gathering information on case history, feedback on speech / language / communication skills, sharing of targets / strategies, referral to outside agencies, clinic sessions for speech work.</p> <p>Development of staff skills to support children with communication needs. This included: -</p> <ul style="list-style-type: none"> • 3 x weekly coaching sessions for new member of staff working with complex child in Nurture Hub 2. • Advice provided for development of environment of Nurture Hub 2 		
<p>3. Increased and improved parental engagement with PPG families.</p> <p>Refer to the weekly Newsletters.</p>	<p>School has been very proactive in ensuring all PPG pupils have a high quality Chromebook to facilitate learning in the home environment using software like IXL, MathsWatch and purple Mash as appropriate. A greater percentage of PPG pupils are completing the weekly homework digitally and using the virtual online platform through Google Classroom to access learning remotely to close the learning gaps. Please see: https://primarysite-prod-sorted.s3.amazonaws.com/st-gileswalsall/UploadedDocument/2f124916-1a4c-4089-9edf-d54d5743dda3/autumn-term-letter-3.pdf</p>		
<p>4. Greater % of PPG pupils successfully passing the phonic screening assessment in Year 1 in line with their Non-PPG peers.</p>	Year 1	82%	
	% of pupils who have passed the phonic screening 2025 threshold	(49/60)	
	% of PPG pupils who have passed the phonic screening 2025 threshold	72%	
	% of pupils who have not passed the phonic screening 2024 threshold	18%	
<p>* Phonic results have exceeded the National expectation (82%). 7 pupils who haven't passed the phonic screening assessment are on the SEND register and 4 are highly complex and have an EHCP/</p> <p>Relentless high-quality teaching supported by Read, Write, Inc catch up tutoring and sharing the videos for specific sounds with parents and carers have culminated in these</p>			

	results. Pupils have also benefitted from improving comprehension skills with Rocket phonics books and additional Literacy lessons.																														
5. Pupils able to discuss their books, Pupil Home Reading Diaries updated regularly- PPG children demonstrating a love of books and reading.	<p>Monitoring of Daily Storytelling (EYFS-Y6) based on books from ‘Whole School Reading Spine to ensure the breadth & depth of high-quality genres and authors shows that reading is being enjoyed and valued by all classes through school, with time taken to create special and memorable experiences.</p> <p>Teachers observed reading the selected passage of the class text aloud as an ‘expert model’ fluency whilst pupils follow the text with their own copy of the book. (EEF Research based Recommendation) 2) Children observed echoing back and emulating intonation, tone, speed, volume, expression, movement, use of punctuation, etc. (EEF Research based Recommendation) 3) All children working in pairs reading along with the teacher or selected readers. (EEF Research based Recommendation) 4</p>																														
6. Closing the attainment gap in reading between PPG pupils and others across the school	<p style="text-align: center;"><u>Reading Attainment Summer 2024-2025</u></p> <p><u>Year 6 : School RWM=77% (47/61) ;National RWM =62%</u></p> <table><tr><th></th><th colspan="2">School 2025</th><th colspan="2">National 2025</th></tr><tr><td rowspan="6">Year 6 School RWM=77% (46/61) National RWM =62%</td><td>Reading Test</td><td>84% (52/61) GDS 49% PPG 75%</td><td>Reading</td><td>75% GDS:33%</td></tr><tr><td>Writing</td><td>82% (50/61) GDS 26% PPG 68 %</td><td>Writing</td><td>72% GDS: 13%</td></tr><tr><td>TA</td><td></td><td></td><td></td></tr><tr><td>Maths</td><td>84% (51/61) GDS 51% PPG 64%</td><td>Maths</td><td>74% GDS:26%</td></tr><tr><td>SPAG</td><td>84% (51/61) GDS 54% PPG 68%</td><td>SPAG</td><td>73% GDS: 30%</td></tr><tr><td>Science</td><td>85% (52/61) PPG 72%(20/28)</td><td>Science</td><td>82%</td></tr></table>		School 2025		National 2025		Year 6 School RWM=77% (46/61) National RWM =62%	Reading Test	84% (52/61) GDS 49% PPG 75%	Reading	75% GDS:33%	Writing	82% (50/61) GDS 26% PPG 68 %	Writing	72% GDS: 13%	TA				Maths	84% (51/61) GDS 51% PPG 64%	Maths	74% GDS:26%	SPAG	84% (51/61) GDS 54% PPG 68%	SPAG	73% GDS: 30%	Science	85% (52/61) PPG 72%(20/28)	Science	82%

Closing the attainment gap in reading between the school’s PPG pupils and all pupils nationally																															
Whole School Vocabulary Spine; Pre-Teaching & Overlearning	<p>At ARE for all subjects: 77% (47/61) 67% of Year 6 pupils achieved ARE expected grade in RWM by the end of the Summer term. RWM:77%; PPG RWM:64%; NPPG RWM:91%(Total PPG pupils-28; Total SEND pupils-14)</p> <p>The impact of rigorous ‘Quality First Teaching’ supplemented by Action Tutoring, Third Space Learning, and MathsWatch has culminated in GDS significantly above the National.</p>																														

	<p>Similarly, Action Tutoring and FFT-Tutoring with Lightning squad supported by the Academic mentor and supplemented with QFT with the consistent implementation of Cracking Comprehension especially in KS2 has resulted in reading results. Due to English intent being implemented effectively and with fidelity across the school underpinned by a sequential approach to the reading curriculum –this has resulted in developing children’s fluency, confidence and enjoyment in reading. There is a clear learning journey with a focus upon vocabulary which is firmly embedded through the whole school vocabulary spine tool. Provision Maps demonstrate PPG pupils being targeted to raise progress and attainment in reading and writing. Findings are supported by the attainment and progress data which match what is evidenced in the books.</p>
<p>7. Closing the attainment gap in mathematics between PPG pupils and others across the school. Closing the attainment gap in mathematics between the school’s PPG pupils and all pupils nationally</p> <p>Whole School Vocabulary Spine; Pre-Teaching & Overlearning</p>	<p>Action Tutoring English and Maths programmes has had an impressive impact on targeted pupils study skills and confidence and securing age-related attainment at the end of KS2. Implementation of White Rose Maths scheme teaching and learning resources has had an impact alongside small group targeting of PPG/SEND not on track with the Third Space Learning Maths 1:1 tutoring intervention. Further White Rose CPD for teachers and teaching assistants to focus on the best ways of using the principles of CPA (Concrete, Pictorial, Abstract) the early curriculum and Number; Reasoning and problem solving on the INSET Day-31st January,2024 has been beneficial to further enhance the pedagogy during maths lessons. There is a wide range of SEND needs across Year 6 who have received highly adaptive and differentiated curriculum with the support of class teachers and level 3 TAs support and tutoring interventions for Reading and Maths in addition to quality first teaching. The SATs results show 80% of the pupils have shown improved maths and reading scores which is very encouraging.</p> <p><u>Overview of additional provision for PPG/SEN</u></p> <ul style="list-style-type: none"> ● Handwriting Group prior to beginning of the school day (30 mins per day) ● Opportunity to complete MathsWatch, Education City and Oxford Reading Buddy prior to beginning of the school day (30 mins per day) ● 1:1 PPG reading with CT prior to beginning of the school day (30 mins per day x5 weekly) ● Cracking Comprehension – 2 hours per week, Rising Stars ● Third Space Learning-Maths Tutoring (SEN – 3 pupils) – Monday 9.00-10.00 ● Third Space Learning PPG/SEND-Thursday 9:00-10:00 a.m. ● FFT Tutoring – 30 mins x1 per week ● MathsWatch tuition – Thursday 3.30-4.30 ● Reciprocal Reading – Wednesday and Thursday 2.30-3.00 ● Arithmetic overlearning – Monday 1.35-2.35

8. Pupils are able to understand the world around them better, enabling them to engage appropriately with others using appropriate language and displaying appropriate behaviours. Significant reduction of exclusions or serious breaches of the behaviour policy.	<p>Comprehensive PSHE/RSE Scheme is implemented by trained staff, including Mental Health and Behaviour Counsellors.</p> <p>Kidz Klub Mentors (Delivering the programmes listed below): Lego therapy; Talking Heads; Food for Life</p> <p>Pupil Profiles to raise aspirations</p> <p>Increased pupil self-esteem through the creation of individual pupil profiles to capture the cultural capital.</p>

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England.

St-Giles have only purchased programmes endorsed by the DfE and research organisations like Education Endowment Foundation
