Pinterest

You need to be at least 13 years old to use Pinterest.

Pinterest is a social media app, where users can share images and videos (called Pins). Users can browse through the images based on their stated interests, for example cooking. Users can then 'pin' (save) these images to their own boards to revisit.

There is content on Pinterest that is not suitable for young people to see. Also, did you know that there is a messaging element to it, so your child could be interacting with strangers? Therefore, if your child is using Pinterest, it is important to show your child how to use the blocking and reporting tools. You can find out more information, including how to set up parental controls here:
<https://help.pinterest.com/en/article/resources-for-parents-and-caregivers-of-teens>

Online Scams

It is important to be aware that scammers can target your child whilst online through social media, messaging apps and games. These scams often look genuine, and children may not have the digital literacy skills to question their authenticity. This can happen across lots of platforms that your child is accessing, for example Roblox or TikTok. Scams can include:

- Offering in game currency.
- Befriending your child, which can then lead to requests for money or account details/personal information.
- Phishing links, with the intention of sharing malware or requesting account details/personal information.

What can I do?

It is important to have regular conversations with your child about what they are doing online and remind them to:

- Never share passwords or verification codes.
- Speak to you or another trusted adult if they are unsure about anything.
- Ensure appropriate parental controls and privacy settings are in place.
- Talk to your child about the different scams that can appear online and remind your child to check links before clicking on them.
- Remind your child that if they do think that they have been scammed, then to tell you straightaway.

Digital Footprints

When we go online, we create a digital footprint, which is a record of what we do online. This can be by visiting websites, sharing photos, liking or commenting on other people's posts or playing games. It is important that children are aware of the digital footprint that they are creating and the lasting effect it can have. Childline provides further information about digital footprints, including advice on how to protect our privacy online:

Risks of Auto saving

Does your child use the likes of WhatsApp, which may automatically download any image/video that is sent to them to their phone's own camera roll? We would advise switching this feature off.

Children may receive lots of photos/videos, particularly within group chats, that they have not requested. If auto download is allowed, then your child does not have control over what is being saved to their camera roll. Potentially, it may also be content that you would not want your child to have saved. Additionally, from a safeguarding perspective, if everything is automatically downloaded to your child's camera roll, it can become difficult to ascertain the source of the image.

How can I disable this feature?

If your child is using a platform that allows this, then there is usually an option to disable this feature, so your child has control over the images saved to their device. The option to disable will be within the settings of the App, here is how to do this on WhatsApp:

- In WhatsApp, go to settings (click on 'You' in the bottom right).
- Click on 'Chats'.
- Toggle 'Save to Photos' to off.

Storybooks and games from the BookTrust

BookTrust have a whole host of storybooks and games on their website. They have storybooks to read, story time videos to watch and kid's games to play.

<https://www.booktrust.org.uk/how-we-help/have-fun-at-home/storybooks-and-games/>

Emoji Meanings

Did you know that some children and young people may be using emojis to mean something completely different? For example, a cap emoji may be used to represent a lie. It is important that you are aware of how emojis can be used and keep up to date with the way in which they can be used as their meanings are changeable. You can find out further information here:

<https://www.bark.us/blog/emoji-slang-guide/>

"Retro – Photos with Friends" App

This is a photo sharing app, and it is rated as 13+ by the App store. The aim of the app is users share their photos with close friends only, like a photo journal. Whilst it is marketed as a safer alternative to other social media apps, you do need to be aware of the following:

- Privacy and data access.
- It does include group chats so there is still the potential for cyberbullying and peer pressure.
- Users may feel safer sharing images as it is with close friends, but content can still be shared with others (through screenshots).

If your child is using this app, make sure you check that privacy settings are set up appropriately.

Users of this guide do so at their own discretion. No liability is entered into. Current as of the date released 01.06.26. The inclusion of any links does not imply any affiliation with or endorsement of the linked websites, documents, or videos, nor are we claiming any ownership or copyright in the content of the linked materials.

Omoggle

Omoggle is an online platform that is for adults only. However, you can simply lie and say you are over 18 to access it. The platform joins two strangers together and uses AI to rate their appearances in a "mog battle."

As you are paired up with a stranger and can see and hear them, there are serious safeguarding concerns and young people should not be accessing this site. Find out more here: <https://www.waynedenner.com/omoggle-parent-guide/>

School Uniform /PE Day Reminders

Thank you for ensuring children attend school looking smart in their school uniforms. As a reminder, it is essential that children attend wearing school shoes and not boots, particularly now as we are hopefully over the winter weather.

On PE Days— please ensure your child attends wearing the agreed kit:

1) White Polo Shirt under the school jumper/cardigan

2) Black Shorts /Black Jogging Bottoms

3) Trainers

Support as always is much appreciated.

CAMHS Parent/Carer Workshops

Come and join our Parent/Carer Workshops, run by Black Country CAMHS services (on MS Teams for 1 hours). Groups held 12pm - 1pm.

We know that suffering from mental health difficulties does not only affect the person struggling, but also the family around them. Parenting a child/young person with mental health difficulties can create additional challenges for parents.

We are running workshops exploring a range of difficulties that children/young people may experience, that can impact their emotional wellbeing.

IMPORTANT REMINDER: BRING YOUR BOOK BAG!

Our school has invested thousands of pounds into providing quality reading books for the children.

To help us keep these books in great condition:

Please ensure your child attends school with a book bag.

Please do NOT place water bottles inside book bags.

Water bottles are causing books to become water damaged beyond repair, and we want every child to enjoy these wonderful reading resources.

Thank you, as always, for your continued support.
Together we can protect our books and foster a love of reading!

HELPLINE
0808 800 5000
help@nspcc.org.uk

If you have any concerns about a child, trust your instincts and contact the NSPCC Helpline. Our specialist team will listen, advise and take any action needed.

An estimated 1 in 20 children have experienced sexual abuse. And child sexual abuse is under-reported by adults. It's time for that to change.

It's never too soon to talk to us. And what you share could make a life-changing difference to a child.

You can contact the NSPCC Helpline by calling 0808 800 5000, emailing help@NSPCC.org.uk or completing our report abuse online form.

Due to an increase in demand across our service, our voice Helpline is currently available 11am–5pm Monday to Friday. You can still email help@NSPCC.org.uk or complete our report abuse online form at any time for free. You don't have to say who you are.

If you think a child is in immediate danger, please call the police on 999 straight away.
