## FreezeNova (Unblocked games)

**FreezeNova** unblocked is a website that is free to access and contains a wide variety of games, including shooting, multiplayer and racing games. This site may bypass usual filters, making it easier for your child to access games that you may not want them to play. As there are a variety of games, not all games may be suitable for your child.

There is also **FreezeNova Chat**, allowing users to chat to their friends and meet new ones. Clearly there are concerns with any online chat facility as there is the potential to view inappropriate content, risk of bullying as well as grooming.

We could not locate any age ratings on this site and there are constant adverts. Childnet have a webpage providing advice on gaming and chat features here:

<https://www.childnet.com/help-and-advice/gaming/>

## Group Chats

Is your child part of any group chats? This could be on social media, for example on WhatsApp or within games such as Fortnite. If so, it is important that you are aware of the potential risks, which include:

- **Inappropriate content** – there is often a lack of moderation within chat facilities so users could be exposed to content/language that is not suitable for their age.
- **Bullying** – there are many instances where inappropriate/hurtful comments are shared within groups, this could take the form of name calling or body shaming. Bullying can also be in the form of excluding others from the group. These issues often overspill into 'real life'.
- **Strangers** – your child could be added to groups with people they do not know or even with someone that they have previously blocked.
- **Conversations can be shared/screen shot** – make sure your child is aware that anything they share within a group can be shared with others.
- **Sharing personal information** – remind your child to be aware of the information they share with others, including images and location.

### How can I help make group chats safer?

- Check the recommended age rating and adhere to them.
- Set up age-appropriate parental controls, suitable privacy settings and set screen time limits.
- On WhatsApp you can do a privacy check, by going to settings, privacy and privacy checkup.
- Show your child how to use any reporting and blocking tools.

### What else can I do?

- It is crucial to have regular conversations with your child about the risks outlined above and about what they are doing online.
- Talk about who they are chatting with, encourage them to think carefully about what they send and how it could be perceived by others. **Talk about positivity and not saying anything hurtful. Ask them to think about whether they would say what they are messaging, face to face.**
- Devices should be used in family rooms so you can monitor what they are doing and who they are interacting with.
- Finally, make sure to model good digital behaviour yourself, as children often learn by observing the adults around them.

# Roblox - update

## What is Roblox?

Roblox is a platform consisting of a collection of games. Players can either create games or play games that other users have created. **As a lot of the content is user generated, not all games will be suitable for your child to view/play.** If your child is playing Roblox, it is important to monitor

**what your child is accessing as well as set up appropriate parental controls.** PEGI rate Roblox with a Parental Guidance recommended label, this is because it is a platform of individual, user generated games.

## New Age-Based Accounts

From next month, Roblox will introduce two new age-based accounts: Roblox Kids for users ages 5 to 8 and Roblox Select for users ages 9 to 15. Roblox Kids Accounts (ages 5–8) will be limited to games with a 'Minimal or Mild' content maturity label and all communication is disabled by default. Roblox Select accounts (ages 9 to 15) will be limited to games with content maturity labels up to and including 'Moderate'. By default, Experience Chat is ON and Direct Experience Chat is OFF. The differences in chat are outlined here: <https://about.roblox.com/safety-by-age>

## Parental Controls

As part of parental controls, you can manage content ratings, communication, screen-time, and spending limits as well as see which games your child is playing on and who their friends are. Roblox are extending these controls to allow you to:

- Block specific individual games (to age 15).
- Manage direct chat settings (to age 15).
- Approve access to specific games.

**It is important to regularly monitor what your child is playing on Roblox and who they are interacting with, even if you have parental controls set up.** You can find out more about the new accounts and parental controls here:

## Screen time guidance for under 5s

The Government now advise limiting screen time for young children. They advise avoiding screen time for under 2 years and to try to keep it to less than 1 hour a day for 2-5 years. Best Start for Life have published an article outlining what content is better, how your own screentime affects your child and how screentime can affect your child's development. Find out more here:

<https://beststartinlife.gov.uk/screen-time-under-5s/>

## Do you know what 'looksmaxxing' is?

It is the idea of improving and ~~maxxing~~ **maxxing** your looks. Internet Matters have published this article, which provides more information on this topic and outlines the **risks** (including links to the manosphere).

## PEGI is expanding their age ratings

From June, PEGI is adding new categories. "Newly submitted games will be classified with a broader set of criteria that will focus on content and functionality, such as purchases of in-game content, paid random items, communication features, and features that **incentivise** players to continue playing." Find out more here:

## **School Uniform /PE Day Reminders**

Thank you for ensuring children attend school looking smart in their school uniforms. As a reminder, it is essential that children attend wearing school shoes and not boots, particularly now as we are hopefully over the winter weather.

On PE Days– please ensure your child attends wearing the agreed kit:

**1) White Polo Shirt under the school jumper/cardigan**

**2) Black Shorts /Black Jogging Bottoms**

**3) Trainers**

Support as always is much appreciated.

## CAMHS Parent/Carer Workshops

*Come and join our Parent/Carer Workshops, run by Black Country CAMHS services (on MS Teams for 1 hours). Groups held 12pm - 1pm.*

We know that suffering from mental health difficulties does not only affect the person struggling, but also the family around them. Parenting a child/young person with mental health difficulties can create additional challenges for parents.

We are running workshops exploring a range of difficulties that children/young people may experience, that can impact their emotional wellbeing.

# IMPORTANT REMINDER: BRING YOUR BOOK BAG!

Our school has invested thousands of pounds into providing quality reading books for the children.

To help us keep these books in great condition:

Please ensure your child attends school with a book bag.

Please do NOT place water bottles inside book bags.

Water bottles are causing books to become water damaged beyond repair, and we want every child to enjoy these wonderful reading resources.

Thank you, as always, for your continued support. Together we can protect our books and foster a love of reading!
