Walsall Locality Hubs provide services for every child aged 0– 19 and their families, in Walsall. Our services welcome children and families with complex needs and disabilities as well as families needing that little extra support or advice. This timetable covers what is happening in the Walsall-West.

There is also lots of advice and support on offer for families at the centre, including:

- Parenting advice and training
- Healthy lifestyle
- Play in the home and home learning
- Keeping your children safe
- Housing support
- Support for yourself and children of all ages
- Healthy relationships and Domestic Abuse
- Food Vouchers
- Behaviour Management

For more information please call **0121 526 5537** or just call in when you can!

For advice and guidance contact the Early Help Hub on 0300 555 2866 opt 1

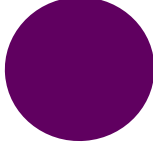

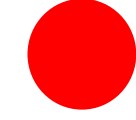

West Walsall October 2018

Some 2 year olds, and all 3 and 4 year olds can access Free Early Learning. To find out more speak to your local childcare provider, a member of the team or contact Walsall Families Information Service on 01922 653383 or online www.mywalsall.org/fis

Have you heard about our online parenting courses? We now offer a range of online parenting courses for parents needing that little help, the courses will enable you to discover different ways to manage your child's behaviour.

Take a look at our range of Youth Activities and Clubs available
